 Honorable Assembly, with the warmest Gratitude, upon exchanging
 their military Employment for the Rank of Citizens; the glorious
 Objects of the late Controversy with *Great-Britain* being happily
 accomplished, they resume their former Conditions with a Satisfac-

 their Country; if they have gained the Confidence of the State; if
 they have endured Hardships and encountered Difficulties, they feel
 themselves still indebted, for your constant Attention in every Period
 of the War. If their Conduct in the Field; if their Wounds, and the
 Blood of their Companions, who have nobly fallen by their Side,
 have entitled them to any Share in the Laurels of their Countrymen,
 they are fully rewarded, in surrendering to your Honors, upon this
 Occasion, the Standards of their Corps, which have often been dis-
 tinguished by the Bravery of your Soldiers, upon the most critical
 and important Occasions. They beg you will be pleased to accept

An A C T to incorporate the Town of *Newport*
 into a City.

Act to incorporate Newport into a City. **W**HEREAS it is indispensably necessary that many Regulations should be made for the Preservation of the Peace and good Order of the Town of *Newport*, and for promoting the Interest and Prosperity thereof: And whereas, under the present Government of the said Town, it hath been found impracticable to devise, consider, deliberate and determine, upon all such Laws and Regulations as the Emergencies of the said Town may, from Time to Time, require:

B E it therefore Enacted by this General Assembly, and by the Authority thereof it is Enacted, That from and after the First Tuesday of June next, the Freemen of the Town of *Newport*, and residing in the said Town, shall be deemed, and they are hereby constituted and declared to be, a Body politic and corporate, in Fact and Name. And the said Town shall forever thereafter be called and known by the Name of the City of *Newport*; and shall be divided into the following Wards, *to wit*: First. That Part of the said Town of *Newport* to the Southward of the Lane or Street called *Carr's Lane*, extending from the Lower Market-House to the Beach. Second. From the South-Side of said Lane or Street to the Street and Highway extending from the Brick Market-House Eastward by the Synagogue to *Easton's Gate*, including

including the said Lane and Highway, and the Houses, Buildings and Lots, adjoining the same. Third. That Part of the said Town to the Northward and Eastward of the Second Ward, and to the Eastward of that Part of *Thames-Street* extending North of the Brick Market-House, and of the Lane leading by the Alms-House. Fourth. That Part of the said Town to the Westward of the Third Ward, including the Houses and Lots on the West Side of *Thames-Street*, and on the Long-Wharff. *Provided nevertheless, and it is further Enacted,* That the City-Council, hereafter to be appointed, be and they are hereby fully empowered to make any such Alterations in the Boundaries and Limits of the said Wards as they shall think proper, and most for the Advantage and Convenience of the said City.

AND be it further Enacted, That on the First Tuesday in June next, and on every First Tuesday in June hereafter, the Freemen of the said City, in legal Meeting assembled, shall, out of the Freemen of the said City, choose a Mayor, Four Aldermen, Six Common-Council Men, and a City-Clerk. And, in case of the Death or Resignation of the Mayor, Aldermen, Common-Council Men, or City-Clerk, who shall be chosen, or of any of them who shall be hereafter chosen into their Places, or any of them, a Meeting of the said City shall be held, at such Time and Place as the By-Laws of the said City shall direct, for filling up such Vacancy.

AND be it further Enacted, That the Mayor, as often as Occasion shall require, shall summon the Aldermen and Common-Council of the said City, to meet together in City-Council, any Six of whom (Two at least to be Aldermen) to be a Quorum, who, with the Mayor, shall be known by the Name of, and they are hereby declared, the City-Council of *Newport*: And they and their Successors, to be hereafter appointed, shall have a common Seal, to be devised and ordered by the said City-Council, and shall be capable in Law to purchase, have, hold, enjoy, possess and receive, to them and their Successors, for the Use of the said City of *Newport*, in Perpetuity, or for any Term of Years, any Estates, real or personal, Lands, Tenements or Hereditaments, of what Kind or Nature soever, within the Limits of the said City; and to sell, aliene, exchange or lease the same, or any Part thereof, as they shall think proper, for the Benefit and Advantage of the said City: And that the Lands and Buildings, now belonging to the said Town, be vested in the said City-Council, and their Successors, for the Use and Advantage of the said City, to be leased, sold, improved, or otherwise disposed of, as to the said City-Council shall appear most conducive to the Use and Advantage of the said City, and the Inhabitants thereof. *Provided,* that no Sale be made of any real Estate belonging to the said City, unless Nine of the Members who compose the said City-Council shall assent to the same.

AND be it further Enacted, That the said City-Council be vested with full Power and Authority, from Time to Time, and under the common Seal, to make and establish such By-Laws, Rules and Ordinances, relative to the Manner of warning the Meeting of the said City for the Choice of General Officers, and Deputies to represent the

AND be it further Enacted, That in case of any Tumult or Riot, or Appearance or Probability of Tumult or Riot, in the said City, the Mayor shall immediately summon together the City-Council, and order the Wardens, the Sheriff of the County of *Newport*, and his Deputies, the Constables, and other City Officers, to attend the City-Council, and such Measures shall be thereupon taken as shall appear most adviseable for preventing or suppressing such Riot or Tumult. We the underwritten, Members of the Lower House of Assembly, protest beg Leave to dissent from the foregoing Resolution for the Removal of the Office of the General-Treasurer to *Newport*, and most solemnly to protest against the same:

BECAUSE, That the Freemen of the State, in giving their Suffrages for a particular Candidate, whose Place of Residence is known, must be presumed to have in Contemplation the Place where the Office shall be kept, as well as the Person who shall sustain that Office. We conceive therefore that it is entirely unconstitutional, and a gross Violation of the Rights, Privileges, and declared Sense, of the Freemen of this State, for the Legislature to remove a public Office, the Appointment to which is, from the original Institution of this Government, in the Freemen at large: That even if the Legislature are constitutionally vested with Power of removing a General Office, which we most strenuously deny, the Exercise of that Power, in the present Instance, we deem to be highly improper, impolitic and inconvenient, the Town of *Newport* being frequently inaccessible to most of the Citizens of the State, and at all Times, from its insular Situation, more inconvenient and difficult of Access than any Town on the Main: That it is utterly unpre-

unprecedented in the History of the State, either during its Existence as a Colony, or in its present independent Form of Government, to remove a General Officer chosen by the People at large, unless in case of urgent Necessity, when the Papers, Records, &c. of the Office were in imminent Danger of falling into the Hands of an Enemy; and it is notorious that no such Necessity can be pretended to exist at present:

THE Governor and Company of the State of *Rhode-Island* and *Providence Plantations*, in General Assembly convened, present to the Marquis de la Fayette their sincerest Congratulations upon his Arrival in this State. They have ever admired that noble Zeal in the Cause of Freedom, which prompted him to encounter Dangers in every Form, to rescue this Country from Tyranny and Oppression. They cannot too much acknowledge the Merit of those Heroes and Patriots, to whose Exertions they are so greatly indebted for the inestimable Blessings of Peace, which they now enjoy; and in the List of whose Fame the Name of *la Fayette* appears with distinguished Lustre. Convinced that his military Ardour resulted from a Regard to the Rights of Mankind, they shall ever hold him dear: And as a Subject of the King, their Ally, and a Citizen of that Nation whose Generosity and Friendship have been eminently displayed through an arduous War, his exalted Virtues will increase their Affection.—That Happiness may attend him, in every possible Situation, is their earnest Prayer to Heaven.

Providence Plantations, in General Assembly convened.

the Address

GENTLEMEN,

WHILE on this happy Period, the fond Hope of our trying Times, of the General Assembly. I heartily partake in the common Enjoyments, it is a lively Pleasure for me to visit this State, which, from the Sufferings and Exertions in the War, must peculiarly feel the Blessings of a glorious Peace.

IN the flattering Marks of your Approbation, you are pleased kindly to over-rate my Services, and have done Justice to my Sentiments. Upon that grateful Confidence in your Esteem, I presume to utter the Wishes of a Heart, one of the most sincere and affectionate that ever felt for America. May these rising States unite in every Measure, as they have united in their Struggles; and may their Wealth and Consequence, so much founded on federal Union, baffle the Calculations of Jealousy, and fulfil the enthusiastic Hopes of Patriotism.

DURING our Contest for Liberty, when my Nation so heartily joined her Sovereign in the noble Concerns, it hath been the Lot of the French Army and Navy to receive particular Favours in this State; for which they entertain an affectionate Sense of Gratitude.

To my respectful Acknowledgments for your Goodness to me, Gentlemen, permit me to add the Tribute of my zealous Wishes for the Prosperity of your State.

LA FAYETTE.

WILLIAM WATERMAN,
ESEK HOPKINS.

The State of Rhode-Island to William Waterman and Esek Hopkins, Dr. To our Time and Trouble, £ 0 18 0

AND the said Report being duly considered, *It is Voted and Resolved*, That the same be and hereby is accepted: That the Sums carried out against the Names of the respective Persons in the said Report be allowed to them: That the same be paid by the General-Treasurer, out of the next State Tax, to Mr. Aja Hopkins, who is hereby directed to pay each Individual his Proportion thereof; and that the Sum of *Eighteen Shillings* be allowed and paid to the said William Waterman and Esek Hopkins out of the General-Treasury, for their Service in settling the said Account.

THE Petition of *John Anthony*, a disabled Soldier, preferred unto this Assembly, praying that an Allowance may be made him for his ^{*J. Anthony*} ~~allowed £ 12~~ Half-Pay, being duly considered, *It is Voted and Resolved*, That the ^{4th} Sum of *Twelve Pounds Four Shillings*, Lawful Money, be allowed and paid the said *John Anthony*, out of the General-Treasury, for his Half-Pay, from the Twenty-fifth Day of *October*, A.D. 1783, to the First Day of *November*, A.D. 1784.

WHEREAS it is represented unto this Assembly, that several Articles, ^{Books, Appa-} _{ratus, &c.} ^{for} _{Rhode-Island} ^{and Dart-} _{mouth Col-} ^{leges, &c.} _{ex-} ^{empted from} _{the Impost.} consisting of Books and philosophical Apparatus, have been lately imported into this State, for the Use of *Providence* and *Dartmouth* Colleges, and that a Bell and Clock have also been imported for the Use of the *Baptist Society in Providence*: And Application having been made to this Assembly that the said Articles may be exempted from the Impost, *It is therefore Voted and Resolved*, That no Impost shall be exacted on the aforesaid Articles; and that the Collector of Impost for the County of *Providence*, where the said Goods were imported, be and he is hereby directed to cancel any Bonds which he may have taken for securing the Impost on the said Articles, when the Amount of the Invoices are ascertained to him.

WHEREAS *Amy Allen* preferred a Petition, and represented unto this Assembly, that for Want of that parental Affection and Regard which ^{*A. Allen's Pe-*} _{titon grant-} ^{ed.} is due and commonly manifested from Parents towards their Children, she when an Infant was abandoned and exposed to the Care and Nursing of a Woman, supposed to be her Mother, and held as a Slave in the Family in which she was found, who was induced to acknowledge her as her Child, to which those about her pretended to give Credit, contrary to the most striking and convincing Evidence; by which Means, in her helpless and infantile Years, she was exposed to the Education and Company of the black People, and to be bought and sold with her pretended Mother: That the Person who heretofore held her has lately suffered her to be at Liberty, but that some Weeks past, to her great Surprise, an Execution was served upon her as his Property, whereby she is in Danger of being deprived of that Liberty she has for some Time enjoyed, and which she is justly entitled to by the Laws of Nature, and by Birth: Whereupon she prayed this Assembly to take her distressed Case into Consideration, and pass such an Act as will protect her in that invaluable Privilege, personal Liberty, and that she may take the Family Name of *Allen*, in which she was found.

AND the laid Petition being duly considered, *It is Voted and Resolved*, That this Petition be received and heard at the present Session; and that *Asa Hopkins*, at whose Suit the said *Amy* was served with the said Execution, and *Samuel Pitcer*, her supposed Master, be cited to appear immediately before this Assembly, to answer the same. And a full Enquiry being made into the Facts stated in the said Petition, *It*

is further Voted and Resolved, That the said *Amy* is a white Person, and of course was born free: That therefore her being holden as a Slave is an unjust Deprivation of her natural Right to Freedom: That she be immediately, and she hereby is, restored to the free Exercise of all the Rights and Privileges belonging to the natural free-born Citizens of this State; and that she be empowered to assume the Surname of *Allen*.

General. WHEREAS it appears to this Assembly, by a Certificate from the Treasurer to General-Treasurer, that he hath given his Note of Hand for *Fifty-six Pounds Nineteen Shillings and Sixpence*, Lawful Money, for the *Wages due to William Davis*, late a Fifer in this State's Continental Battalion, to *Thomas Lewis*; upon the said *Davis's* Order, which appears to be forged, as the said *Davis* was killed some Time before the Date of the said Order: *It is therefore Voted and Resolved*, That the General-Treasurer be and he is hereby directed to give his Note, of the same Tenor and Date as that heretofore given to the said *Lewis*, to *John Warner*, Esq; the personal Representative of the said *Davis*; and that the General-Treasurer be and he is hereby directed to advertise in the News-Papers the said Forgery, to prevent any Persons from purchasing the said Note.

Explanation of former Acts respecting Impost. WHEREAS some Doubt hath arisen in the Mind of the Collector of Impost in the County of Providence, whether upon the last Act of this Assembly for laying additional Duties, the Duties are to be collected and paid upon any Articles but such as are landed: *It is therefore Voted and Resolved*, That whenever any Master or Commander of any Vessel shall make an Entry of the said Vessel's Cargo, or any Part thereof, in any Port in this State, whereon any Duties are laid by the said Act, or any other Act of this State, the Duties on all the Articles, Goods and Merchandise, so laid, and which shall be on board such Vessel at the Time of Entry, shall be demandable and paid, under the Penalties by the said Acts prescribed.

THE Subscribers being appointed a Committee to enquire into, audit and adjust, the Accounts of the Keeper of the Grand Committee's Office with the State, and to burn the Old Tenor Money therein, beg Leave to report, that we having taken the Burthen thereof upon us, and attended upon the Business, find from the Length of Time, the many Persons who have been employed therein, and other Circumstances necessarily attending such an extensive Matter, that the Accounts are perplexed, and that it will be very difficult to settle the same upon that strict Principle of Right which ought to govern every Transaction of Life.

WE have received of Mrs. —— *Thurston Nine Thousand One Hundred and Seventy-one Pounds Six Shillings*, Money of the Emission of 1750, and *Two Thousand Three Hundred and Eighty-eight Pounds Five Shillings and Sixpence*, Old Tenor, both which Sums we have burnt.

YOUR Committee would beg Leave further to represent, that it appears, by the Deeds lodged in the said Office, there is a considerable Quantity of Land belonging to the State which they are not in Possession

An A C T for the Removal of the Remains and Monuments in certain Burying-Lots, and for the Sale or Exchange of those Lots, under the Direction of the Town-Council of the Town of *Providence*.

WHEREAS the first Settlers of the Town of *Providence* were in the Practice of burying the Dead in small Yards in their own Lots, before the present large public Ground was laid out for that Purpose; but from the general Disapprobation of continuing to bury in such Lots, they have been for many Years disused: And whereas, by the Increase of the said Town, divers Streets and Lanes have been laid out, with which some of those Burying-Lots interfere; and by Reason of their being left by Will, or reserved in Deeds for the Purpose of Burying-Lots, they may continue for a long Time an Interruption: And as in some Instances Doubts arise in Respect to the Right of those Descendants who have kept up the said Burying-Lots, to remove the Remains and Monuments to the common Burying-Ground, or into other Lots:

BE it therefore Enacted by this General Assembly, and by the Authority thereof it is hereby Enacted, That it shall and may be lawful for the Town-Council of the Town of *Providence* to make Inspection into the several private Burying-Lots in the said Town, and such as they shall judge most for the public Benefit to have removed, that they signify

Petition of *J. Drummond*, WHEREAS *John Drummond*, late Commander of the Ship *Anastasia*, preferred a Petition and represented unto this Assembly, that in a late severe Gale of Wind the said Ship, being then under his Command, was shipwrecked near *Point-Judith*, in this State, and entirely lost: That with great Industry and Difficulty he saved some Part of the Lading of the said Ship, which has since been sold at public Auction in the City of *Newport*: That the Collector of Impost for the County of *Newport* exacts an Impost of *Ten per Cent.* on the Proceeds of said Sale: That he conceives it is not agreeable to the Practice of civilized Nations, it being obviously inconsistent with the Principles of Humanity to require the Payment of Duties from such as are so unfortunate as to be shipwrecked: And thereupon the said *John Drummond* prayed this Assembly to exempt him from the said Impost.

WHICH being duly considered, *It is Voted and Resolved*, That the Prayer of the said Petition be and the same is hereby granted.

Allowance to the Widow and Children of *Christopher Greene*, Esq; deceased, late of the late Col. *Christopher Greene*. WHEREAS *IT is Voted and Resolved*, That Seven Years Half Pay be allowed to the Widow and Children of *Christopher Greene*, Esq; deceased, late a Colonel in the Line of this State, commencing on the Fourteenth Day of May, A. D. 1781, and terminating on the Fourteenth Day of May, which will be in the Year 1788: That the General-Treasurer issue a Note payable to the said Widow, to wit: *Anne Greene*, upon Demand, with Interest, for the Sum of *Five Hundred and Forty Pounds*, Lawful Money, in full for the first Four Years of the said annual Allowances: And that the said Widow have an Order upon the General-Treasury, payable out of the present State Tax, for the Sum of *Fifty Pounds Eleven Shillings and Fourpence*, like Money, in full for the Interest upon the said Four Years Arrearages.

WHEREAS *William White*, of *Providence*, preferred a Petition and represented unto this Assembly, that he imported a Quantity of Goods from *St. John's*, to the Value of *Fifty Pounds Twelve Shillings and Eightpence*, *St. John's* Currency, by the Way of *Boston*: That being ignorant that Goods imported by Land were equally subject to a Duty with

with those imported by Water, he neglected to enter the same: That the said Goods have been informed against and condemned; and thereupon the said *William White* prayed for Relief:

Whereupon being duly considered, It is Voted and Resolved, That this State relinquish unto the said *William White* their Proportion of the said Goods, upon his securing the Impost upon the whole Amount imported.

WHEREAS the Committee who were appointed to settle the Dispute between *Connecticut* and this State, respecting the Fishery in *Pawcatuck* River, presented unto this Assembly the following Report, to wit:

AT *Stonington*, in the State of *Connecticut*, upon the Second Wednesday in September, A. D. 1785, the Undersigned convened agreeably to Appointments previously made, and exchanged Commissions ascertaining their Powers, in the following Manner, that is to say:

“ At a General Assembly of the State of *Connecticut*, holden at *Hartford* on the Second Thursday of May, A. D. 1785: On Report of the Committee appointed to take into Consideration the Letter of *Jonathan Palmer*, jun. and *Elijah Palmer*, Esquires, relating to the Fishery at *Pawcatuck* River, Resolved by this Assembly, That Major *Charles Phelps*, Col. *Samuel Mott*, and *Nathaniel Miner*, Esq; be and they are hereby appointed a Committee to meet such Gentlemen as the Honourable General Assembly of the State of *Rhode-Island* shall appoint to meet, at the House of Mr. *John Dennison*, at *Long-Point*, in *Stonington*, on the Second Wednesday in September next, with Power to take into Consideration and agree on proper Measures to be taken by both States, to regulate the Fishery in *Pawcatuck* River, and for preventing and punishing Disorders between the Subjects of said States about said Fishery, and for quieting any Disturbances already arisen on Account thereof; and to report their Doings to the next General Assembly: And his Excellency the Governor is desired to transmit a Copy of this Resolve to his Excellency the Governor of the State of *Rhode-Island*.

A true Copy of Record, examined by
GEORGE WYLIS, Secretary.”

State of Rhode-Island, &c.

In GENERAL ASSEMBLY, June Session, A. D. 1785.

“ WHEREAS his Excellency the Governor hath received official Information from his Excellency the Governor of the State of *Connecticut*, that great Disturbances have arisen between divers of the Citizens of this State and those of *Connecticut*, respecting the Fishery in *Pawcatuck* River, and that great Disorders and Breaches of the Peace have in Consequence taken Place; and that the General Assembly of the State of *Connecticut* have appointed a Committee to meet at *Stonington*, in the State of *Connecticut*, on the Second Wednesday in September next, to meet and confer with a Committee which the State of *Connecticut* requests this State will appoint, to agree on proper Measures to be taken by both States to regulate the Fishery in said *Pawcatuck* River,

October, 1785.

River, and for preventing such Disorders and Disturbances between the Citizens of the two States respectively: *It is therefore Voted and Resolved*, That *James Mitchel Varnum, and Rowe J. Holme, Esquires, and Mr. Oliver Davis*, be and they are hereby appointed a Committee, to meet with the Committee of the State of *Connecticut*, appointed as aforesaid: That they be empowered to agree on the proper Measures for quieting the disorderly Proceedings and Disturbances aforesaid, and to regulate the Fishery in said *Pawcatuck River*, and to adopt such other Measures as may be conducive to prevent any Disputes and Disorders in future: That the said Committee make Report of their Deings thereon to this Assembly at the next succeeding Session; and that any Two of the Committee be competent to the Execution of the Business of their Appointment.

A true Copy: Witness, HENRY WARD, Sec'y.

AND thereupon the Undersigned, Commissioners from the States aforesaid, appointed *Charles Phelps*, Esq; to the Chair, and having agreed upon the Mode of Proceeding, for investigating and settling the various Matters of their Appointment, adjourned to the House of *Mr. Joseph Noyes*, near *Pawcatuck Bridge*, in *Stonington*, and notified all Parties concerned to appear before them, at Eight o'Clock in the Morning of the Fifteenth Day of *September* inst. At which Time and Place the said Commissioners being convened, proceeded to the Examination of divers Witnesses, Citizens of the States aforesaid, and living contiguous to the said *Pawcatuck River*: They also viewed and examined such Parts of the said River, and the Obstructions therein, as appeared necessary to complete their Information. And after fully deliberating upon the several Matters aforesaid, they have agreed to report, and do accordingly report, to the Legislatures of their respective States,

THAT the late Disturbances which occasioned the Interference of their Legislatures originated, partly, from private Claims to the Property of a certain Wear in *Pawcatuck River*, the Claimants living in both States, and contesting the Right; partly to a Misapprehension of the Laws, and partly to a Repugnancy in the Laws of the two States. For quieting therefore these Disturbances, and restoring Peace, Union and Harmony, between the respective Citizens, the Undersigned deem it expedient, that their Legislatures enact that all Prosecutions, whether civil or criminal, already begun, or that shall be commenced in Consequence thereof, be nullified; and that Acts of Amnesty be passed in Favour of all concerned therein. And for regulating the Fishery in said *Pawcatuck River* in future, so as to answer the Expectations, and satisfy the Views, of Individuals more immediately interested in said Fishery, consistently with the public Good, the said Undersigned submit to the Wisdom of their Legislatures the Propriety of passing into a Law of each State a Bill of the following Form, Tenor and Effect, that is to say:

BE it Enacted by the General Assembly, and by the Authority thereof it is Enacted, That no Wear or Wears, or other Obstruction of any Kind,

Kind, shall be erected, set or continued, in any Part of Pawcatuck River, dividing the States of Rhode-Island and Connecticut, upon the Penalty of *Eight Pounds* for the first Offence, and *Four Pounds* for every Twenty-four Hours, or any less Space of Time, any such Wear or other Obstruction shall be continued in the said River, after the first Offence.

B E it further Enacted, That no Person or Persons be permitted to set or draw any Seine or Seines in said Pawcatuck River from the Twentieth Day of *March* to the First Day of *June* annually, excepting upon *Tuesdays* and *Wednesdays* in each Week, beginning at the Sun's Setting on *Monday* Evenings, and ending at the Sun's Setting on *Wednesday* Evenings, upon the Penalty of *Six Pounds* for each and every Time such Seine shall be set or drawn otherwise than as aforesaid: That in setting and drawing any Seine as aforesaid, no greater Space of Time shall be employed therein than One Hour for a single Draught, upon the Penalty of *Three Pounds* for each, and every Offence: And that in setting and drawing as aforesaid, or at any other Time from the said Twentieth Day of *March* to the First Day of *June* annually, no Person or Persons shall be permitted to drive the Fish in the said River by Sounds, Threshing, Beating, or in any other Way, upon the Penalty of *Three Pounds* for each and every Offence.

B E it further Enacted, That no Person or Persons be permitted to fish in the said River, in any other Manner than as aforesaid, excepting with Hooks and Lines, upon any other Days and Times, from the said Twentieth Day of *March* to the said First Day of *June* annually, than *Tuesdays*, *Wednesdays*, *Thursdays* and *Fridays*, beginning at the Sun's Setting on *Mondays*, and ending at the Sun's Setting on *Fridays*, upon the Penalty of *Forty Shillings* for each and every Offence.

AND to the End that the Fish may more freely pass to the various Sources of the River aforesaid, *Be it further Enacted*, That yearly and every Year, from the Twentieth Day of *March* to the First Day of *June*, there be a Passage opened in the Mill-Dam below Pawcatuck Bridge, from the Bed or Bottom of the River, Fifteen Feet in Length, beginning at the Middle of the River, and extending the whole of said Length easterly: That similar Passages be opened, in Manner as aforesaid, in all the other Dams in the said River, Ten Feet in Length from the Middle of the said River. And the Owner or Owners, Occupier or Occupiers, of any of the Dams aforesaid, who shall neglect or refuse to open a Passage or Passages as aforesaid, on or before the said Twentieth Day of *March* annually, shall forfeit the Sum of *Four Pounds* for every such Refusal or Neglect; and for every succeeding Day's Neglect or Refusal to open a Passage as aforesaid, from the said Twentieth Day of *March* to the First Day of *June* annually, the Offender or Offenders shall forfeit one other Sum of *Four Pounds*.

B E it further Enacted, That no Person or Persons shall operate with any Saw-Mill or Mills, or shall saw any Boards, Plank, or other Timber, at any Time between the said Twentieth Day of *March* and the First Day of *June* annually, upon the Penalty of *Three Pounds* for each and every Offence.

October, 1785.

B E it further Enacted, That all Offences against this Act shall and may be heard, and finally determined, before any one or more Justices of the Peace in the County where the same shall be committed; and that all Penalties incurred thereby shall accrue, the one Half thereof to and for the Use and Benefit of him or them who shall inform of and prosecute the same to Effect, and the other Half to and for the General-Treasury of the State.

B E it further Enacted, That in Addition to the Penalties aforesaid, whoever shall be convicted of offending against this Act, shall, in Default of paying the Penalty or Fine sentenced against him, be whipped not exceeding Ten Stripes..

B E it further Enacted, That a Committee shall be annually appointed by this General Assembly to view the River and the Dams aforesaid, to see that the Obstructions aforesaid be removed, and that the Passages aforesaid be made and kept open, according to the true Intent and Meaning of this Act; which Committee shall be engaged to a faithful Discharge of their Office, and their Determinations in Matters of their Appointment shall be final and conclusive.

AND be it further Enacted by the Authority aforesaid, That this Act shall be considered as forming a Compact with the State of *Connecticut*, and from which this General Assembly will not depart, until the Legislature of the State of *Connecticut* shall agree with the Legislature of this State to a Repeal thereof, Alterations therein, or Additions thereto: And that the same shall take Effect and be in Force from and after the First Day of *March* next, provided the said Legislature of the State of *Connecticut* shall pass an Act similar thereto, and notify the same to his Excellency the Governor, previously to that Time.

It is also deemed essential by the undersigned Commissioners aforesaid, that the Legislature of the State of *Rhode-Island* enact a similar Law to the foregoing, for regulating the Fishery in all the Branches and Sources of said *Pawcatuck River* which belong to that State; and that the same when passed be considered as forming a Part of the Compact aforesaid, and without which the Acts of the respective States shall be null and void.

DONE at Stonington, the Sixteenth of September, in the Tenth Year of the Independence of the United States, A. D. 1785.

CHARLES PHELPS,	J. M. VARNUM,
SAMUEL MOTT,	R. J. HELME,
NATHANIEL MINOR,	OLIVER DAVIS.

AND the said Report being duly considered, It is Voted and Resolved, That the same be and hereby is accepted; and that the Draught of a Bill contained therein be and the same is hereby passed into a Law.

IT is further Voted and Resolved, That all Proceedings which have been had against any Persons for Breaches of the Peace, or other unlawful Doings relating to the Fishery in the said River, be and they are

are hereby nullified and made void: And that all Persons who have been concerned in such Breaches of the Peace or Offences aforesaid, be and they are hereby discharged from the same, and exempted from all further Prosecutions in that Behalf.

THE Subscribers being appointed a Committee, to report the Number of Men necessary to be placed in *Fort-Washington*, and the best Mode to be adopted in procuring and paying them, beg Leave to report, that in our Opinion, if a Gunner is appointed for the said Fort, with the monthly Pay of *Seven Dollars*, he finding himself, and to have the Improvement of the Barrack on *Goat-Island*, he can be easily obtained: That if some suitable Person or Persons be empowered to hire Four good stout Boatmen to attend upon the said Fort at all Times, it will be sufficient; and that they agree with the Men upon the best Terms they can, not giving more than *Seven Dollars* per Month, they finding themselves.
